Renata Jayne

## Think Green Keepittean

## IT'S NOT JUST UP TO ADULTS TO LOOK AFTER OUR ENVIRONMENT!

Children are very clever at helping to keep our world cleaner too! So here is a show to help our future generation understand the importance of looking after the environment!

Through fun storytelling and music Renata communicates important green messages to young children. As always the children are the performers in this important show all about recycling, conserving and not polluting the world in which we live.
